U.S. News World Report : Best Graduate Schools 2014 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best Graduate Schools 2014:

1 of 1 people found the following review helpful. Garbage - should have read reviewsBy Rebecca RoadmanThis digital version was completely useless. You can't search text correctly because the tables are image files. There are advertisements throughout the digital book and the content here is available online. I thought there would be more detail in this digital version, but there isn't and it's harder to read that it is on the website. I wasn't able to figure out how to print pages either, which made it useless for my purposes.0 of 0 people found the following review helpful. THANK YOU, AMAZON!By Birgitta L RamseyThe U.S. NEWS WORLD REPORT rankings of AMERICA'S BEST COLLEGES and BEST GRAD SCHOOLS cannot be ignored in the process of decisions about colleges, student advising and recruitment, and related endeavors. Additionally .com is helpful in providing for orders at the lowest of prices even after the tome has sold out of local book shops.2 of 2 people found the following review helpful. It's not

what I expected. Very limited in depth to only the most broad majors. Was expecting more than these-
business medicine law. It's also like a magazine
