Y. Arguuml;den : Boardroom Secrets: Corporate Governance for Quality of Life before purchasing it in order to gage whether or not it would be worth my time, and all praised Boardroom Secrets: Corporate Governance for Quality of Life:

0 of 0 people found the following review helpful. Excellent resource for companies struggling with the concept of corporate governanceBy SemihgThis book is a must read especially for small to mid-size companies that are wondering if having a board is necessary for their business. The information is very well presented with examples from today's business world, which has become a more challenging environment than anyone could have imagined.

Boardroom Secrets focuses on the, processes, and behaviours of a board of directors to ensure good governance. The book focuses on behavioral aspects of governance such as how to evaluate and process information provided to the board, how to critically question without de-motivating, and how to balance interests of different stakeholders.

'A pertinent and timely read in these difficult times.' - Baron David de Rothschild, Chairman, Rothschild Yılmaz Arguden's untiring campaign to promote good corporate governance in Turkey is largely responsible for the priority it has today among both businesses and the public at large. Drawing on his vast experience, Dr. Arguden offers invaluable insights and universal guidelines for a wide range of management decisions that impact corporate governance. I have no doubt that 'Boardroom Secrets' will become a reference book for businesses everywhere as they seek to rebuild the trust of their stakeholders in the years ahead.' - Bulent Eczacıbaşı, Chairman, Eczacıbaşı Holding 'Shareholders, directors and top managers will welcome this wise, insightful, and practical book sharing the author's extensive experience. I know of no better single source for getting it right in the boardroom. Read these secrets, apply them diligently, and improve your board's performance.' - Prof. David R. Beatty O.B.E.; Founding Managing Director, The Canadian Coalition for Good Governance 'The unfolding financial and economic crisis has fundamentally been due to a wide ranging failure of corporate governance. Dr. Arguden's book focusing on governance as a culture and a climate is based on insights coming from long experience and will be invaluable to all who must try to rebuild the world economy on more solid foundations.' - Kemal Derviş, Head of UNDP 'The global financial and economic crisis is above all a corporate governance crisis. Dr. Arguden's book provides timely insight and guidance for how the fundamentals of good governance can be improved.' - Prof. Klaus Schwab, Founder and Chairman, World Economic Forum 'Perfect timing for a book containing carefully researched, cross-national prescriptions for ethical and effective corporate governance. This should be a valuable resource for leaders in both the commercial and non-profit sectors.' - Michael D. Rich, Executive Vice President, RAND Corporation 'In these times of serious economic crisis the value of strong corporate governance becomes even more apparent. Yılmaz Arguden's book shows this in a clear and concise way. It is a valuable contribution.' - Mustafa V. Koccedil, Chairman, Koccedil Holding 'In this wise and practical book, Yılmaz Arguden argues that trust lies at the heart of corporate governance. The book offers a clearly expressed vision of how that trust can be built in individual companies. It will be of significant use in guiding the thinking of board members and company stakeholders alike.' - Dr. Roger Barker, Head of Corporate Governance, Institute of Directors (London) 'I wish 'Boardroom Secrets' had been available when I was getting a start in business 35 years ago. I would have read it line by line and my business life would have been much more effective. New generation business leaders are fortunate to have this reference book available for them. Thank you, Yılmaz...!' - Tuncay Oumlzilhan, Chairman and CEO, Anadolu Efes 'This is one of the best books I've read on corporate governance and it is well worth keeping a copy for reference.' - Ann M Kelly, FCMI, Professional Manager
About the Author
Dr. YILMAZ ARGUDEN is a leading strategist, advisor, and board member of major public and private institutions, and NGOs. He is the Chairman of ARGE Consulting, a leading management consulting firm based in Istanbul.
