**Veechi Curtis : Bookkeeping Essentials For Dummies - Australia** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bookkeeping Essentials For Dummies - Australia:

0 of 0 people found the following review helpful. Basic and GeneralBy MazOne must read the book as intended: a general basic overview; otherwise one maybe disappointed. Bookkeepers would have covered the material in their education and certification. Other audience will not benefit much. Example: if you just started a company, there is no guidance at all on your first transactions to setup the company. The book will help in understanding what your bookkeeper does, or should do, and stops there.

Get your books in order quickly and easily with this straightforward guide to Australian bookkeeping. *Bookkeeping Essentials For Dummies* is the must-have guide to understanding Australian bookkeeping.
