From Palgrave Macmillan : Books between Europe and the Americas: Connections and Communities, 1620-1860 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Books between Europe and the Americas: Connections and Communities, 1620-1860:

A ground-breaking collection by thirteen distinguished international scholars; this volume presents fresh perspectives on the exchange of culture and ideas between isolated communities through books and correspondence, and offers pioneering comparisons between the northern Atlantic and that of Spanish and Portuguese territories further south.
