**Douglas R. Porter : Breaking the Development Log Jam: New Strategies for Building Community Support** before purchasing it in order to gage whether or not it would be worth my time, and all praised Breaking the Development Log Jam: New Strategies for Building Community Support:

This book explains in plain terms how developers and planners can involve the community in the development process

using the latest community engagement tools. It describes why, in these days of more complex projects and development approval procedures, it pays to win citizen support rather than fight opposition.
