**Dan Bradbury : Breeding Gazelles: Fast Growth Strategies For Your Business** before purchasing it in order to gage whether or not it would be worth my time, and all praised Breeding Gazelles: Fast Growth Strategies For Your Business:

1 of 1 people found the following review helpful. Finally, a Simple Path to Understanding Complex Business StrategiesBy TopherI got this book in London and read it cover to cover on the way back to the states. I'm already re-

reading it, this time with a pen and highlighter to notate the gems inside this book. I've known Dan for years and was always impressed at how he understood the underpinnings of successful business. This book is like his brain in print, and I love it! When you finish reading this book you'll know exactly what you need to do in order for your business to become a fast growing company. 1 of 1 people found the following review helpful. Strategies to transform your company into a turbo-business that lets you enjoy the fruits of your labor. By John W. Furst The book is very refreshing, because the author Dan Bradbury has been there and done that. He talks about his practical experience and nails the steps required to turn a small business from the "owner does everything" stage; (even if there is already staff on board) to the "break free" stage, when the owner can start enjoying her business, break free and eventually sell it for top dollars. What I personally also liked a lot are the interviews with other successful business owners who are sharing their biggest insights and tips as well. Highly recommended, if you have hit an invisible glass ceiling and cannot grow your business any further. 1 of 1 people found the following review helpful. Please, do your business and family a favor and read this book, now! By 360 Excellence Learning LLC An essential to any business owner that want to really understand how business works, I've use what the book teach to rise my monthly sales on 20K by adding one thing that the book teach. Please, do your business and family a favor and read this book, now!

More revenue, more profit, more time. Three things every business owner wants. The challenge is you haven't developed the systems to allow the company to function and scale without you. You struggle to find and hire the right people who can effectively take things off your plate. Growth consumes cash so the end of month pay run is always a little too tight for comfort. It wasn't meant to be this way. *Breeding Gazelles; Fast Growth Strategies For Your Business* has the answers. How do you rapidly grow your company without it all being dependant on you? Dan Bradbury shows you how to:- Hire 'A' players for a fraction of the price- Double your sales... in an afternoon!?- Solve your biggest business problem in half the time- Implement 5 keys for increasing your cashflow- Maximise your business valuation prior to an exit- Increase your sales by 32x in less than 2 years The level of thinking that got your business to where it is today will not get you where you want to go. *Breeding Gazelles* contains interviews with some of the most successful business owners in the U.K. on how to avoid the pitfalls of rapid growth whilst maximising the upside.

"I first met Dan in 2007 and I'm as impressed today as I was back then at his extensive knowledge proven experience in business success, coaching, direct response marketing, and online/digital marketing. Listen and do what he says - it will serve you well." - Dave Lee, Co-Founder, SixthDivision Plus This In a world full of people looking for what they can get, Dan deeply understands how to lead by giving, serving and over-delivering. It's been a huge pleasure to see Dan going from strength to strength as an entrepreneur and a businessman, and I'm fascinated to see what he builds next." - Jamie Smart, #1 bestselling author, educator and entrepreneur "I've watched Dan grow from strength to strength over the last decade...what's incredible are his high standards and his pursuit of excellence. He is rapidly becoming the go to guy - to understand and implement the latest strategies and systems to take your business from ordinary to extraordinary. He's special and rare and a decent guy with high integrity - he's also someone I'm proud to have as a friend" - Greg Secker, CEO of Knowledge to Action and International Speaker Having grown my company NPE now to over \$10M in annual revenues, and listed 6x on the Inc 500/5000 list in the USA, there are many experts and thought leaders we call upon when working on major initiatives. But Dan is someone who we routinely engage for his great experience and insights when it comes to sales and marketing strategy. He gets it and loves to cut through the clutter as much as we do to get to the goal. If you're looking to grow your company to the next level, Dan is someone I highly recommend you speak with. He brings a tremendous amount of passion and leadership to the table." - Sean Greeley, CEO NPE "There are fewer than a handful of people in the world I would trust to take control of my business and Dan is on that shortlist. His business-savvy wisdom goes way beyond his years." - Topher Morrison, Managing Director, Key Person of Influence USA
