**Scott L. Girard, Michael F. O'Keefe, Marc A. Price : Business Law Basics (A Crash Course for Entrepreneurs)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Business Law Basics (A Crash Course for Entrepreneurs):

This simple guide will show you everything you need to know about: \*How to choose an attorney. \*Contract essentials, including patents and copyrights. \*What you need to protect (such as processes or intellectual property). \*How to reorganize or restructure your business. Yoursquo;ll also learn the basics of

Each of the books in the Crash Course for Entrepreneurs series offers a high-level overview of the critical things you need to know and do if you want to survive and thrive in our super-competitive world. Of course, there's much more to learn about each topic, but what you'll read here will give you the framework for learning the rest.
