**Theresa A. Gabaldon, Christopher L. Sagers : Business Organizations (Aspen Casebook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Business Organizations (Aspen Casebook):

Business Organizations is a pedagogically rich book recaptures student engagement in the course without sacrificing basic rigor. Transaction-oriented problems put the student in the practice role of advising a variety of businesses. Clear expository text provides context for cases. Features include: flowcharts, connections boxes, self-testing exercises, a series of interspersed exercises on ethics for business lawyers, a glossary of terms, and sidebars on numerical concepts and skills. Short, self-contained chapters facilitate the ability to teach them in almost any order. An online supplement

includes a business concepts for lawyers module to be assigned as an instructor desires, as well as offers a variety of sample documents to show students the actual materials that lawyers work with every day. Key Features: Short, self-contained chapters make the book highly modular and enable professors to easily tailor the book to their syllabus. Detailed, problem-focused treatment of unincorporated entity issues and special transactional problems in counseling small businesses. A free online supplement offers a module on business concepts for lawyers, and provides samples of documents that lawyers typically encounter. The purchase of this Kindle edition does not entitle you to receive access to the online e-book, practice questions from your favorite study aids, and outline tool available through CasebookConnect. In order to receive the full benefits of CasebookConnect, the all in one learning solution for law school students, you will need to purchase a new print Connected Casebook.
