it very useful. 1 of 1 people found the following review helpful. Holy Grail of Contract Management By Idaho I have a lot of business books but few as annotated and highlighted as this one. Gregory puts value in every sentence. It is well organized, offers a plethora of valuable tools and the insights are just what one would expect of someone with decades of experience. You'll want to read it carefully, and keep it on your desk for handy reference not only to keep yourself on track, but to remember what pitfalls to avoid.

The Capture Management Life-Cycle provides a comprehensive step-by-step approach to help individuals and companies win more business. The philosophy behind the Capture Management Life-Cycle is that business is won with mutually beneficial offers that meet a customer's objectives as well as the seller's requirements for profitability. The three-phase Capture Management Life-Cycle model is presented with inputs, tools and techniques, outputs, case studies and forms/templates to assist business professionals in selling products, services or solutions. The Capture Management Life-Cycle consists of three phases, ten stages and more than 35 key actions for winning more business.
