Fantastic when used correctly.By ih2170Has pertinent information for quick review, but is no substitute for reading the casebook.To reiterate, don't use this instead of reading; use this instead of needing to flip through your casebook when doing your final exam. Having this will calm your nerves if you're nervous that you've misremembered cases or that your outline isn't up to snuff. Good luck.0 of 0 people found the following review helpful.
