Boris Z. Rumer : Central Asia: A Gathering Storm? before purchasing it in order to gage whether or not it would be worth my time, and all praised Central Asia: A Gathering Storm?:

The societies of Central Asia are besieged from within and without. The political elites - virtually unchanged despite the transition to independent statehood - battle radical Islamic movements and other oppositional threats that are continuously fueled by economic instability, corruption, environmental deterioration, and the collapse of social services. This survey of political, economic, and social development in Central Asia offers geopolitical context,

unparalleled coverage, and analytical depth to our understanding of a region that appears to be rapidly spiraling into crisis.
