Paul P.W. Achola, Vijayan K. Pillai : Challenges of Primary Education in Developing Countries: Insights from Kenya before purchasing it in order to gage whether or not it would be worth my time, and all praised Challenges of Primary Education in Developing Countries: Insights from Kenya:

Paul P.W. Achola and Vijayan K. Pillai address factors associated with wastage in primary school education and the solutions to ameliorate low participation in primary education. The book provides an examination of the factors associated with wastage, exploring the interconnectedness of non-enrollment, repetition and dropout. The authors

demonstrate that reducing poverty through empowerment programs and citizen participation in school decisions are critical to improving primary school participation.

'...provides useful findings for formulating policies to eradicate wastage in primary education in developing countries.'
