Ralph Alterowitz, Jon Zonderman : Financing Your Business Made Easy before purchasing it in order to gauge whether or not it would be worth my time, and all praised Financing Your Business Made Easy:

0 of 0 people found the following review helpful. I liked reading Financing Your Business made easy. By Mark For someone with limited background in Financing this book delivers many financing options available for the entrepreneur. 0 of 0 people found the following review helpful. Good ideas! By Elisha Gabriell It's giving me good ideas of how to finance my little start-up. Lots of stuff I didn't know, as a beginner! 0 of 0 people found the following review helpful. Book has lots of good info. By Susan1146 This book has lots of very good info, especially if you are going after investors. It spends a lot of time in this area, and breaks it down really well. It is pretty general. I would have preferred that it had more actual examples.

Insider tips on every imaginable way of raising capital for a small business Financing Your Business Made Easy offers myriad ideas to get financing. The authors discuss the benefits and pitfalls of borrowing from family and friends, with tips on how to keep business relationships separate from personal ones. Dozens of government loan sources are

explained in detail. Drawing on their insider knowledge of venture capital firms and angel investors, the authors reveal how to maximize your chances of success. Plus, they provide innovative financing ideas, such as borrowing from suppliers and customers, taking advantage of credit cards, and raising money from employees.

From the Back Cover: "Need money? In a growing business there is always a need for capital. A resource such as this shows all the sources and how to apply for funding. It's like having advisors from many different financing options counseling you on how to get them interested in financing your business. The book is arranged by sections according to stages of a business, and by different levels of capital needed, thereby directing the business owner to the appropriate section. It is a must for all entrepreneurs." - Dr. Al Inselberg, President, Multidimensional Graphs, Ltd. Every new or growing company needs money. Although there is a multitude of ways to raise that money, some are more productive than others. Hunting for financing sources isn't easy-you need a game plan to be successful. We'll help you showcase your company's strengths, target the correct investors, and spend your time, money and energy pitching to those investors who have the highest payoff probability. Learn about: Getting capital from sources ranging from angel investors to government agencies The 5 C's of credit Incubators and accelerators Business financing scams Critical questions to ask potential investors "Entrepreneurial opportunities and the American Dream-they're one and the same. And they can be real-for anyone, even if you think you lack the cash and contacts to start. With its arrays of smart strategies, this book lights the way."
