BrownBen has done a wonderful job of sharing wisdom to make the change from employee to entrepreneur. So much information and by following his steps you are well on the way to success. If you are in business or thinking about starting a business this is a must read.3 of 3 people found the following review helpful. Best Book on the Subject for sureBy ama nkwaThis Book is amazing! No bull "you can do it" feelgooderies, I think that's what I really appreciated

about it, it's no nonsense! It takes you step by step through a lot of terrain a lot of other books don't touch..If you're a business owner solopreneur in a service business or products or trying to figure out what you'll hang your entrepreneurial hat on this book breaks down the nuts and bolts of how to get yourself out there in front of lots of customers online in person however it makes sense for you..I took a risk with this one because there weren't any reviews really but i'm glad i did, it's helping me so much with my business3 of 4 people found the following review helpful. equipped with a voracious appetite for precisely what the book covers (working when you want with a great income) I found the boBy Delphine JametThe subject is fascinating, equipped with a voracious appetite for precisely what the book covers (working when you want with a great income) I found the book to be an excellent guide, no matter what entry level you are in.For most of it, I felt a little overwhelmed at times and realised how little I have committed towards achieving my long term goals but I picked up a lot of key actions that I could implement immediately and when I have done so and increased my related education, I expect to be able to implement more new things from re-reading it a second time but at a higher level.Best of all, I was inspired along the journey of reading this book, to come up with new ideas I could implement along the way that was not necessarily in the book. He gave me the motivation and inspiration any business owner needs!Ben Angel's style of writing is captivating, easy to follow and even includes inserts about his own personal experience which makes it easy to relate to. Best of all, this is the first book that I have managed to finish right through to the end for the first time in so many years!

How to quit the rat race, do what you love, and make money doing it Ben Angel, also known as the "Agent of Influence," is Australia's top personal branding and influence specialist. Entrepreneurs, companies, speakers, and famous authors look to him when they want to learn how to engage their target audiences and the media or build a highly influential personal brand. In this new book, Angel offers practical, actionable advice on how to ditch the nine-to-five life and do something that both inspires and enriches you. With step-by-step strategies on how to design, fine tune, and market your business idea, this book shows you how to discover what you want to do, crack the code of the new social media landscape, find the tipping point that makes your business go viral, and make money authentically, by doing what you love. With lifelong job security a thing of the past, the most successful people are those capable of reinventing themselves and what they do. This book shows readers how to do that by monetising their particular area of expertise to change the world—and get rich in the process. Shows you how to flee 9-5 and turn your expertise and knowledge into a 6-7 figure business in under 6 months Find out ways to crack the code of the new world economy and shape the world we live in Reveals how any business owner, individual, or entrepreneur can outsource their work and do what they love from anywhere in the world If you want to start your own business, forget the nine-to-five life and start doing something that you love. With this book in hand, you'll learn to use social media and modern marketing techniques to build a brand, create revenue streams, and earn a six- to seven-figure income.
