From Asian Development Bank : Focused Action: Priorities for Addressing Climate Change in Asia and the Pacific before purchasing it in order to gauge whether or not it would be worth my time, and all praised Focused Action: Priorities for Addressing Climate Change in Asia and the Pacific:

This publication outlines the five priority areas and three modalities of ADB's approach to climate change: expanding the use of clean energy, encouraging sustainable transport and urban development, managing land use and forests for

carbon sequestration, promoting climate-resilient development, and strengthening related policies and institutions.
