From WPI Publishing : Fundamentals and Advances in Knitting Technology (Woodhead Publishing India in Textiles) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fundamentals and Advances in Knitting Technology (Woodhead Publishing India in Textiles):

The book looks at the history of knitting and how the process has evolved to the latest developments. The chapters discuss the principles involved in all types of knitting machines and the different types of loops and knitted structures. The science and quality aspects of knitting, calculations related to knitting, and the mechanics of knitting are also examined.

About the Author Prof. (Dr.) Sadhan Chandra Ray is working as Professor in Fabric Manufacture at Institute of Jute Technology, Kolkata.
