OyerGreat text and easy to follow.0 of 0 people found the following review helpful. Five StarsBy Jeon Je PilExcellent

This new, third edition of Jack Phillips's classic *Handbook of Training Evaluation and Measurement Methods* shows the reader not only how to design, implement, and assess the effectiveness of HRD programs, but how to ultimately measure their return on investment (ROI). Each chapter has been revised and updated to include additional research, expanded coverage, and new examples of Dr. Phillips's case studies. Seven entirely new chapters have also been added, focusing largely on ROI.
