John Malcolm Dowling, Chin Fang Yap : Happiness and Poverty in Developing Countries: A Global Perspective before purchasing it in order to gage whether or not it would be worth my time, and all praised Happiness and Poverty in Developing Countries: A Global Perspective:

This book analyzes the determinants of happiness for both the rich and the poor in the developing regions of Asia, Latin America and Africa. Explanatory variables include education, health and income as well as demographic and social variables. The book highlights the overwhelming importance of health in uplifting well-being in these regions.

About the Author JOHN MALCOLM DOWLING is Visiting Lecturer in Economics at the University of Hawaii, USA. He has previously held positions at the University of Colorado, USA, Singapore Management University, Singapore, Melbourne University, Australia, Reading University, UK, and has received two Fulbright Fellowships in Iran and Thailand.
