**From Dundurn :** **Hard Lessons: The Mine Mill Union in the Canadian Labour Movement** before purchasing it in order to gage whether or not it would be worth my time, and all praised **Hard Lessons: The Mine Mill Union in the Canadian Labour Movement**:

This book brings together the voices of contemporary labour leaders, activists, old timers, and academics to discuss the first hundred years of the Mine, Mill and Smelter Workers Union.

About the Author Dr. Dieter K. Buse is a Professor Emeritus of the History Department at Laurentian University in Sudbury, Ontario. Peter Suschnigg teaches at Laurentian University of Sudbury in Ontario. Mercedes Steedman teaches in the Department of Sociology at Laurentian University.
