From designing a cost-effective new health care plan--to administering an existing plan--to complying with the many state and federal rules that govern health benefit plans - you know how difficult it is to manage your company's group health insurance. With Health Insurance Answer Book, you get expert guidance and practice-based answers to all types of questions about today's health insurance marketplace, including: Are there any guidelines on medical tourism? What are the issues related to implementation of a "full flex" plan? What is the role of an intermediary? Can onsite health clinics save money? Are there any new developments regarding the use of captives for retiree health insurance? What is electronic prescribing? What is comparative effectiveness research?
