From Asian Development Bank : Higher Education Across Asia: An Overview of Issues and Strategies (Higher Education In Dynamic Asia: Study Reports) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Higher Education Across Asia: An Overview of Issues and Strategies (Higher Education In Dynamic Asia: Study Reports):

Higher education (HE) is seen to have an ever more important role in human resource development and the movement of people, students, and the workforce in the region. The Asian Development Bank's developing member countries are

increasing investment in HE to support social and economic development and growth. This publication discusses the issues and strategies for HE in Asia and why there is a need to invest in this subsector. It provides an overview on how governments, together with HE institutions and stakeholders, can improve HE through adequate policies and regulations, and how they can position their economies for further development.
