Hiring Great People By Sylvia Weck This is an "Excellent" book and an easy read not filled with technical terms that can sometimes get in the way of understanding what the authors' are trying to say. It covers everything from 'Prospects for the best candidates' to 'Avoiding legal landmines in the hiring process'. This was a mandatory book for an HR class I am currently taking and am glad the professor chose this

It is a short book, but contains lots of valuable info. It's not your typical textbook, it was very easy to read and the information was relevant.0 of 0 people found the following review helpful. Great book - well writtenBy L. LewellenThis was a great book that was to the point and well written. I would recommend it as a textbook to anyone for HR hiring tips and good practices.
