“Whether you’re going to start or have already started your business, you need this book.” Paul Tulenko, syndicated business columnist

For any form home business, regardless of the product produced or the service provided, claiming all the tax deductions you are lawfully entitled to is essential to financial success. Now in an expanded 16th edition that is fully updated for 2016 tax returns, "Home Business Tax Deductions: Keep What You Earn" shows how to deduct for: start-up costs, home office expenses (using new IRS rules), vehicles and travel expenses, entertainment and meals, medical expenses under Obamacare, and retirement expenses. "Home Business Tax Deductions" also shows how to keep accurate and thorough records in case the IRS ever comes calling. Easy to read and full of real-life examples, "Home Business Tax Deductions" can help any home business entrepreneur to take full and lawful advantage of all the valuable tax deductions they are entitled to. Of special note is the information on how to avoid a home business from being classified by the IRS as a hobby and therefore not entitled to business deductions. A very special and unique feature to this edition of "Home Business Tax Deductions" is the accompanying web site with hundreds of informative articles and FAQs, useful legal forms, online services allowing the formation of an LLC or corporation quickly and easily, in-depth profiles of business and tax lawyers around the country and in any given area. Thoroughly 'user friendly' in organization and presentation, "Home Business Tax Deductions" should be considered an essential instructional reference for personal, professional, community, and academic library Business Management collections. "The Midwest Book", James A. Cox, Editor-in-Chief

From the Author: Understanding tax deductions is an essential part of any home business without the money saved by taking deductions, many home businesses couldn't get started or operate profitably. With this book, home business owners can rest assured that they are not paying more to the IRS in taxes than they need to. Practical and organized by chapter into the most commonly used home business tax deductions, this book shows how to plan for and take advantage of the tax breaks available to home business owners. From home office expenses to start-up expenses to health care costs to travel, meals and entertainment, this book shows home business owners how to deduct their business-related expenses and pay less to the IRS.

About the Author: Stephen Fishman is the author of many Nolo books, including *Deduct It! Lower Your Small Business Taxes*, *Every Landlord's Tax Deduction Guide* and *Home Business Tax Deductions: Keep What You Earn*—plus many other legal and business books. He received his law degree from the University of Southern California and after time in government and private practice, became a full-time legal writer.
