Darlene Niemeyer : How to Start a Dog Business before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Start a Dog Business:

0 of 0 people found the following review helpful. Really like this!By CocoJust started reading this! I love it already! It has great advice and tips. It also is a easy read.The book is very pretty and has cute little stories in it. It is helping me with writing a business plan for my doggy daycare!0 of 0 people found the following review helpful. Waste of moneyBy critternurseThis book is extremely outdated. Last update was in 2009. This book really doesn't have much information about starting or running a dog business that isn't common sense. There is no real information as to how to start, operate, build or run a daycare or other dog related business. Feels like it was just thrown together. The same info can be found on any google search.0 of 0 people found the following review helpful. this book is amazing I'm not into reading books but this one I ...By Customerthis book is amazing I'm not into reading books but this one I read in only a few hours, the author makes it super easy to understand, ads color and pictures so the book doesn't get boring

after one chapter and gives ALOT of great advice. I will absolutely use this when opening my own daycare!!!

This comprehensive guide addresses the rising need for pet care services and provides detailed advice for starting up and operating a doggy day care or related business, such as dog walking, pet sitting, and dog camps. It includes step-by-step methodology for coming up with a feasibility study and business plan to encourage success in the fast-growing pet service industry, plus current data on consumer usage and selection of doggy service products.

About the Author DARLENE NIEMEYER has been a dog care provider for many years, and is certified by the National Association of Pet Sitters. After years of corporate jobs, she followed her dream and opened the first dog day care center in Cape Cod, Massachusetts. In 2006, Darlene began a consulting service providing help to others wanting to open a dog-related business.
