**Shari Steelsmith : How to Start a Home-Based Day-Care Business, 6th (Home-Based Business Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Start a Home-Based Day-Care Business, 6th (Home-Based Business Series):

6 of 6 people found the following review helpful. Good for Those Who Are in a Position to Start an In-Home Daycare  
By Wa Mom I think this book would be especially helpful for individuals who already have the means to start an in-home daycare. The sections I found most useful were those on managing behaviors you might expect to encounter while operating a daycare. I have my master's degree in teaching and found this book provided sound advice for interaction with young children. Financial roadblocks prevented me from started my own business, but if you've already got your finances in a row, this book would give you some more insight into implications of running your own daycare out of your home.  
0 of 0 people found the following review helpful. just OK  
By Gabbie M. I wasn't too thrilled with this book. I could've found a lot of the info on the internet. There was nothing spectacular
