BouzidenIf you are starting a house painting business, this book is for you. It guides you from the ground floor as to the how's, why's, where's, and more of running this type of business. It won't teach you how to paint, but will show you everything you need to know about the biz.

Everything you need to know to run a profitable and satisfying house painting business from your home.

From the Back CoverWhether you plan to go it alone or build a team, this book takes you through all phases of setting up and running a thriving home-based house painting business, from estimating start-up costs to finding customers.

Each chapter provides tips that make "cents," stories from the trenches, and advice around the paint bucket. Learn all about writing a business plan, keeping track of expenses, networking, and expanding your own home-based house painting business.
