Owen Dell : How to Start a Home-Based Landscaping Business, 6th: *Develop a profitable business plan *Build word-of-mouth referrals *Handle employees, paperwork, Series) (How to Start a Home-Based Business) before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Start a Home-Based Landscaping Business, 6th: *Develop a profitable business plan *Build word-of-mouth referrals *Handle employees, paperwork, Series) (How to Start a Home-Based Business):

1 of 1 people found the following review helpful. Love it... Love it... Love it.....By JourneymanWell written / structured... informative... "necessary" for anyone who (like me) wants a ref. source for business ideas tips. I've

worked in management for many years, but didn't have much information on landscaping management at the time when a friend asked me to help him manage his business. I can't say how much this will help you if you're starting from scratch, with no experience, but for someone who has some management or sole-proprietorship experience, this book is very helpful. 0 of 0 people found the following review helpful. Overall a good book. Put together well with good ideas for ...By Customer Overall a good book. Put together well with good ideas for the beginning business owner and a few good ideas for the veteran. 0 of 0 people found the following review helpful. Five Stars By Customer anyone wanting to start there own landscaping company I suggest you start here
