**Beth Lewis : How to Start a Home-Based Tutoring Business (Home-Based Business Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Start a Home-Based Tutoring Business (Home-Based Business Series):

0 of 0 people found the following review helpful. Five StarsBy CustomerThe purchase has given me a wealth of information.4 of 5 people found the following review helpful. The most straightforward and useful of the books I've seen on this topic.By Len CrunchI picked up this book along with a few others and found this one to superior. It is well laid out, very clear and has pretty much all the information you would need if you are a tutor or thinking of becoming one.1 of 2 people found the following review helpful. Five StarsBy ABC765Gives very practical and useful advice! Written to help you open your own business. Worth the money!

How to Start a Home-Based Tutoring Business will help prospective tutors feel comfortable in their choice to proceed

with starting a home-based business. It addresses the issues of organizing your workspace, marketing your business, keeping customers happy, and monitoring student progress to show results; all from the perspective of an educator who has accomplished these goals with her own home-based tutoring business.

From the Back Cover Everything you need to know to run a successful tutoring business from your home.
