Information Age Publishing : Human Resource Management Ethics (Ethics in Practice) before purchasing it in order to gage whether or not it would be worth my time, and all praised Human Resource Management Ethics (Ethics in Practice):

HRM ethics is a root cause of many important problems in business ethics, and may represent the solution to even more. This volume defines, analyzes, and proposes solutions to ethical problems related to both the executive levels of

the organization, and the organization as a whole. This book contains a fascinating range of scholarship from highly regarded authors. Macro and micro perspectives are presented, including perspectives from psychology, social psychology, organizational behavior, strategy, law, spirituality, critical studies, public/nonprofit management, and a variety of functional areas within the field of HRM.
