**From Crown Business : If You're Thinking of Living In . . . : All About 115 Great Neighborhoods In Around New York** before purchasing it in order to gage whether or not it would be worth my time, and all praised If You're Thinking of Living In . . . : All About 115 Great Neighborhoods In Around New York:

0 of 0 people found the following review helpful. A fantastic guide to the neighborhoods of New York City.By

Jaesada SrisukAn exceedingly well-researched encyclopedia of the constituent neighborhoods of the five boroughs that comprise New York City, this book is a great read and research manual for both those who are planning to visit or move to the city as well as long-time residents. Written by the Real Estate Editor of the New York Times; this guide is a valuable resource of information about all the things that make the neighborhoods of NYC distinctive and unique. I definitely recommend it.13 of 13 people found the following review helpful. A great guide to living in and around New York CityBy A CustomerPLEASE NOTE:...if you want to move to New York, this book would be a great place to start. It tells you everything you'd want to know about the hundreds (115, to be exact) of places you can choose to live here, with information on schools, recreation, commuting, house prices, history, and community atmosphere. The perfect book for anyone coming to New York or contemplating moving around in New York12 of 12 people found the following review helpful. Good for a broad overviewBy R. PassThis book is good for broad overviews of the various neighborhoods in and around New York City. Thus it might be particularly helpful for the reader who is not at all familiar with the Big Apple and its surrounding communities. Not a good source for information on apartment rental markets. Info favors families with children over the young, single professional.

A Practical guidebook for house hunters, migrating apartment dwellers, and anyone curious about life in 115 of New York's most livable neighborhoods and suburbsFor many people in New York, New Jersey, and Connecticut, the real estate section of the Sunday New York Times is the first part of the newspaper they read each week. This book is drawn from one of the most popular features in that widely read section, "If You're Thinking of Living In . . ." Every week, the column gives a detailed snapshot of a suburban community in the tri-state area or a metropolitan neighborhood in New York City, enabling readers to clearly understand a new area and decide if it might be the right place for them to live. Now, these columns have been updated and edited into a valuable guidebook for anyone planning a move into the tri-state area or already living in the region and considering a move to another community, as well as for browsers who just enjoy this popular and informative feature. Will acquaint you with 115 metropolitan neighborhoods and suburban communities in New York, New Jersey, and Connecticut; Consists of illuminating profiles on each locale, including safety, housing, schools, transportation, cultural and recreational facilities, and quality of life; Includes at-a-glance reference boxes that list such valuable data as median income of a community; median price of a single-family home, co-op, or condo; midrange rental rates; and commuting times and costs; Highlights which communities have the strongest school districts; Educates prospective home buyers on assessing the investment opportunities of purchasing real estateFrom the Trade Paperback edition.
