Rhoda M. Samkoff : In a Class of Your Own: Essential Strategies for the New Kndash;6 Teacher before purchasing it in order to gage whether or not it would be worth my time, and all praised In a Class of Your Own: Essential Strategies for the New Kndash;6 Teacher:

1 of 1 people found the following review helpful. Great book for pre-service and new teachers!By CustomerMs. Samkoff's book contains practical tips and suggestions for the new and pre-service teacher in an easy to understand manner. I wish that this book had already been published when I was a new teacher--it would have been a road map

for me during my first years. An example of the tips she offers are practical suggestions for parent-teacher conferences/back-to-school nights, how to arrange students' desks, and how to formulate clear content objectives. This really is a must-have for teachers!

Combining classroom anecdotes and advice from experienced teachers, this guide demystifies the early stages of an education career and offers strategies for common challenges.

This book includes a wealth of practical ideas for the new teacher. Written from a mentor's point of view, it is an excellent resource with relevant topics, easy to read, rich with concrete real-life examples, and filled with strategies that can be implemented immediately. --Jane Ching Fung, Kindergarten Teacher/Mentor (04/22/2010)"The contributions from this delightful, caring, mentor-on-the side approach will assure the new educator that all issues can be addressed by working together with resources already available including this book! The practical T.I.P.S. are a teacher's gold mine. The book offers a great balance of useful information very pleasing to the busy teacher's time palate. --Cathern Wildey, Adjunct Professor of Education (04/22/2010)"This is a wonderful guide for new teachers. The anecdotes from actual classroom situations help develop a connection between the author and the novice teacher. This helpful guide is practical, upbeat, and the ideas are easy to implement. Everyone needs a positive coach to encourage his/her development as an excellent teacher!"--Patricia Palmer, Sixth-Grade Teacher (04/22/2010)" This book includes a wealth of practical ideas for the new teacher. Samkoff is a popular speaker and educational consultant, formerly a teacher in the Millburn (NJ) School System. She

holds a Masters degree in Curriculum and Teaching from Teachers College, Columbia University in New York City, and is a member of Kappa Delta Pi, Honor Society in Education. Ms. Samkoff has taught at all of the elementary school grade levels. More than seventy of her students have received honors or awards in writing competitions, or have had their work published. She organized and advised a leading elementary school Student Council that received eight national awards including a United States Congressional Certificate of Recognition. In addition, she has mentored student teachers and new teachers, and instructed in the Education Department at Kean University in New Jersey. Her workshops and seminars focus on successful teaching techniques. Ms. Samkoff has authored numerous articles that have appeared in educational magazines and in The New York Times. The author has been the recipient of many awards and was named a Teacher of Honor in 2010 for outstanding innovations in education, writing, and student leadership.
