Judith H. McQuown : Inc. Yourself: How to Profit by Setting Up Your Own Corporation before purchasing it in order to gage whether or not it would be worth my time, and all praised Inc. Yourself: How to Profit by Setting Up Your Own Corporation:

0 of 0 people found the following review helpful. Didn't finish reading because...By V. A. Very informative. I didn't finish reading because she clearly stated in an early chapter that if you're company isn't of a certain income/profit base, you won't benefit from incorporating. So I stopped reading and when I get to that level, I will go back to it and figure out how to do it properly. 0 of 0 people found the following review helpful. Read most editions great By Jim

WorthamGreat0 of 1 people found the following review helpful. Three StarsBy Book BenderThis book is a helpful reference. Don't try to read it cover-to-cover...I doubt if you'll make it.

The "entrepreneurial classic": A business owner's bible for start-ups and professionals alike—now completely revised and updated (CNBC). Written in clear, easy-to-understand language, *Inc. Yourself* is a no-nonsense, step-by-step guide to creating your own success story. And it's not only for start-up entrepreneurs; it also speaks to long-time professionals, downsized executives, women and minorities frustrated by the limits of the glass ceiling, work-at-home moms and dads, enterprising students, retirees who want to protect their assets, and anyone who's ever asked, "How can I profit from doing what I like to do?" *Inc. Yourself* covers numerous topics, including: Laying the groundwork and seed money for your corporation; Choosing the right office space; Creating your business plan; Taking advantage of minority-supplier contracts; Designing the right pension plan; Understanding state-by-state tax laws and tax breaks; Finding your employees; Selecting insurance, medical, and retirement benefits; Building profit-sharing plans; Establishing long-term strategies for your heirs. Featuring state requirements for general businesses, sample minutes and bylaws, quizzes, charts, checklists, and sample tax returns, *Inc. Yourself* provides every conceivable piece of information and guidance you need to take charge of your career and secure a profitable future. This how-to guide has stayed in print for decades and sold nearly three-quarters of a million copies for a good reason: It works. And now, more than ever, it's essential.

About the Author: Former Wall Street analyst and New York City senior investment analyst Judith H. McQuown became exasperated by the glass ceiling women faced, and formed Judith H. McQuown Co., Inc., which provides writing and editorial services to the financial and publishing industries. She is the author of eight other books, and conducts "Inc. Yourself" seminars nationwide. She resides in New York City.
