5 of 5 people found the following review helpful. Learning Trumps PlanBy Alison G. AdamsThis is a great quick review of the thoughts and mind of one of the most successful businessmen in America. Donald Trump is very direct in not only outlining the problems we face, but in laying out some common sense solutions that will turn America back to strength and power.0 of 0 people found the following review helpful. for \$6 a bit expensive for such a surface

review ...By G. Larkin for \$6 a bit expensive for such a surface review, but OK to read the "background" to Trump's "thoughts" although that might be too big a word for this
