Wesley P. Townsend : Target Costing:Market-Driven before purchasing it in order to gage whether or not it would be worth my time, and all praised Target Costing:Market-Driven:

Compiling practical recommendations gleaned from more than 20 years of professional experience, Target Costing: Market Driven Product Design provides numerous examples from field authorities that illustrate valuable concepts and approaches employed in the application of target costing to large-scale manufacturing operations. The authors discuss setting the target product level and subsystem level, maintaining competitive costs, applying the principles of target

costing in practice, and quantifying customers' needs.
