Tina Rae : Teaching Anger Management and Problem-solving Skills for 9-12 Year Olds (Lucky Duck Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Teaching Anger Management and Problem-solving Skills for 9-12 Year Olds (Lucky Duck Books):

Based on the work of the Hillingdon Tuition Centre, this is a practical, innovative and useful resource for nine to 12 year olds whose behaviour is causing concern. Using the theme of a young boy writing letters from a Pupil Referral

Unit, each session includes: o warm up activities. o reading the letter. o group discussion. o activities. o a plenary session. By creating this fictional character, Daniel, typical difficulties can be addressed safely by the participants. The book follows a similar format to the authors' popular *Escape from Exclusion* (shortlisted for the TES//NASEN Book for Teaching and Learning Award).
