Michael O'Connor : Ted Turner: A Biography (Greenwood Biographies) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ted Turner: A Biography (Greenwood Biographies):

This book chronicles the life story of Ted Turner cable television mogul, successful baseball team owner, and fascinating public figure. bull; Provides a chronology of key events in the life of Ted Turner bull; Includes a photo essay portraying Turner through the years

"For high school students and general readers, O'Connor, a writer, editor, and publisher, offers a biography of businessman Ted Turner that chronicles his life, career, and interests as an entrepreneur, baseball team owner, sportsman, environmentalist, and land owner. It details his childhood and education, his early business ventures, his purchase of a small Atlanta station and its transformation into a cable superstation, his founding of the first cable news channel that became CNN, his transformation of the Atlanta Braves into a successful team, his career as a yachtsman, his efforts to save the American bison, his marriage to Jane Fonda, and his public persona." - Reference Research Book News
