National Telecommunication Information Administration : Telecommunications: Glossary of Telecommunications Terms before purchasing it in order to gage whether or not it would be worth my time, and all praised Telecommunications: Glossary of Telecommunications Terms:

This glossary contains more than 5,000 technical terms and definitions that were standardized by the federal government for use by international and U.S. government telecommunications specialists. It includes international and national terms drawn from the International Telecommunication Union, the International Organization for Standardization, the TIA, ANSI, and others.
