3 of 3 people found the following review helpful. FocusBy Alyssia L. MakarewiczWhen you are running a business and being pulled in every direction, life can get overwhelming. Howard does a great job helping you focus your time and energy to get the most out of your business and your life. A must read for small business owners.2 of 2 people found the following review helpful. Another winner from a winner of a teacher and writerBy Neil AtkinsonHoward really gets it. He is successful in business and knows how to teach others to be successful. He figured out a long time ago what works and keeps doing it because it still works, but he keeps analyzing the processes to improve them. As a teacher, he continually shows that he cares about his students and wants them to be successful. Phenomenal book that should be studied over and over again.2 of 2 people found the following review helpful. A must read if you are in
