From Corwin : The Active Classroom Field Book: Success Stories From the Active Classroom before purchasing it in order to gage whether or not it would be worth my time, and all praised The Active Classroom Field Book: Success Stories From the Active Classroom:

1 of 1 people found the following review helpful. A fine pick for any education collectionBy Midwest Book ReviewThe Active Classroom Field Book: Success Stories from the Active Classroom expands upon strategies in the prior THE ACTIVE CLASSROOM to provide educators with stories showing how active techniques work in real-world school environments. From classroom processes and student feedback to vignettes that reinforce chapter 'how

to' applications, this is a fine pick for any education collection.

Discover what really works in the classroom through success stories from educators like you! Expanding on the strategies in *The Active Classroom*, best-selling author and educational consultant Ron Nash shares the stories of teachers who have successfully implemented active teaching methods in their classrooms to engage students in learning. Ideal as a companion to the original book or as a standalone resource, this field book includes: Chapters on student-to-student conversations, classroom process, student movement, feedback, and continuous improvement through reflection Vignettes that set the stage for each chapter Lesson plan segments and anecdotes from teachers in Grades K-12 and college settings

"Easy to read and even easier to begin today to incorporate, this book is packed with ideas on how to let the students do the learning while the teacher guides them. The real-life vignettes included bring even more clarity to each concept, allowing the reader to experience the vitality each will bring to the classroom. I hope every educator in America will read this book and take from it to improve the teaching and learning process for all of our students and teachers." (William Richard Hall, Jr., Principal 2010-02-22) "Ron Nash has synthesized the best research today on making students active participants in their own learning. This would also be an excellent book for a school to read, discuss, and put into practice as a professional development opportunity. This book shows teachers how to plan their play, then play their plan." (Roberta E. Glaser, Retired Assistant Superintendent 2010-02-25) "Nash's book should be a required reading for all teachers and administrators, new and experienced. It provides a road map that guides teachers and administrators with educating today's youth. Fabulous!" (Monica Uphoff, Director of Assessment and Accountability 2010-02-25) "Every teacher keeps two or three books for constant reference while planning units and designing lessons—this is one of those books! *The Active Classroom Field Book* provides field-tested strategies for engaging students in learning disguised as fun! It's been well-documented that movement is related to cognition, and Nash capitalizes on this idea with the strategies and actual classroom examples that will have your students standing up to cheer!" (Jennifer Sinsel, Gifted Facilitator 2010-02-22) "Easy to read and even easier to begin today to incorporate, this book is packed with ideas on how to let the students do the learning while the teacher guides them. (Jennifer Sinsel, Gifted Facilitator 2010-02-22) About the Author Consulting Description Ron Nash is the author of the Corwin bestseller *The Active Classroom* (2008), along with *The Active Teacher* (2009), and *The Active Mentor* (2010). Nash's professional career in education has included teaching social studies at the middle and high school levels. He also served as an instructional coordinator and organizational development specialist for the Virginia Beach City Public Schools for 13 years. In that capacity, Nash conducted workshops and seminars for thousands of teachers, administrators, substitute teachers, and teacher assistants. In 2007, he founded Ron Nash and Associates, Inc., a company dedicated to helping teachers shift students from passive observers to active participants. Download Ron Nash's product brochure.
