**Sun Tzu : The Art of War: The Ancient Classic** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Art of War: The Ancient Classic:

391 of 404 people found the following review helpful. It is a book meant for good. By Customer I want to tell future readers of this book in this way. I read it first when I was 14 or 15. I thought it was a book on how to smartly fight a war. Then I re-read it when I was 28 and it occurred to me that it may be an instruction book on how to navigate an honorable life. Years passed and I recently found it at the bottom of a box in my closet. I read it again at age 56. I realized it has more to offer. If you read this book, you will actively have to replace Sun Tzu's ancient terms and placement of hierarchy and apply them to modern situations and people. Family, bosses, neighbors, employees and the list goes on. It is my belief that this "manual" can help solve minor and major disruptions in life if used correctly. It is a book meant for good. 1 of 1 people found the following review helpful. Great read if you're a military history fan or just ... By Grant This can be applied to daily life, to work life and of course if you want to take over another country.

Great read if your a military history fan or just like a good strategic book.0 of 0 people found the following review helpful. The book is short but interesting. It's written in ...By CopperheadThe book is short but interesting. It's written in the style of bullet points. It's not hugely practical for today's times, but it is very interesting to see the wisdom of someone from 1,500 years ago and the guidance they gave to deal with war in their time.

The original and bestselling leadership book! Sun Tzu's ideas on survival and success have been read across the world for centuries. Today they can still be applied to business, politics and life. The Art of War demonstrates how to win without conflict. It shows that with enough intelligence and planning, it is possible to conquer with a minimum of force and little destruction. This luxury hardback edition includes an introduction by Tom Butler-Bowdon that draws out lessons for managers and business leaders, and highlights the power of Sun Tzu's thinking in everyday life.
