**Gary Shapiro, Mark Cuban : The Comeback: How Innovation Will Restore the American Dream** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Comeback: How Innovation Will Restore the American Dream:

America seems to be on a downward slide. Our government spends too much; our economy creates too little; and we aren't preparing our children to compete in a global marketplace. Yet our politicians - Republican and Democrat alike - just don't get it. While once-great cities fall into decay, Washington thrives, living off the hard work and tax dollars of the private sector. It's time for an American comeback -- and it starts with innovation. Throughout its history, America's great innovators have been the drivers of our unsurpassed economic success. American innovation transformed a country of ragtag farmers into the epicenter of the world's technological progress. Innovation creates

jobs, markets, and new industries where none existed before. Most importantly, innovation moves us forward as a nation, pushing us to succeed and strive for a better tomorrow. In short, innovation is the American Dream. In *The Comeback*, Gary Shapiro shows us how to return innovation to its rightful place at the center of America's economic policy. *The Comeback* is a new blueprint for America's success.
