Sandy Baker : The Complete Bankruptcy Guide for Consumers and Small Businesses: Everything You Need to Know Explained So You Can Understand It before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Bankruptcy Guide for Consumers and Small Businesses: Everything You Need

to Know Explained So You Can Understand It:

According to the US Courts Bankruptcy Statistics Web site, more than 801,000 bankruptcies were filed with U.S. courts in 2007, with almost 97 percent of those being personal, non-business filings. The volume of those who face the stress that coincides with bankruptcy filing continues to grow and it can be hard to discern between the six different forms of common bankruptcy and how each might affect you or your business. This book was written with the goal of providing a complete handbook to understanding the complex bankruptcy laws of the United States in an easy-to-read format that will allow you to move forward in your life, either through the bankruptcy process or through viable financial alternatives that help you to avoid filing. Before you even approach the bankruptcy process, you will learn if there is anything left you can do to salvage your finances. You will learn how to manage existing debt in avoidance of bankruptcy and how to handle debt collectors, and also acknowledging which of the debts that you hold are the most important. You will learn how to decide when bankruptcy is the best or only option left at your disposal, including what a bankruptcy actually entails, from the first piece of paperwork you sign to the lasting effect it has on your credit. You will learn how to deal with the emotional and social implications of bankruptcy and also what aspects of your life will immediately change as a result. The six different kinds of bankruptcies are outlined in full detail with walkthroughs of what each format offers and when you can utilize them to your advantage. Specifically, detailed instructions for liquidating debt with a Chapter 7 bankruptcy and using a Chapter 13 bankruptcy to rebuild your life are given as well in their own chapters. You will learn what it takes to find and utilize a qualified consumer bankruptcy attorney and exactly what to expect throughout the process. For businesses that are navigating the complex corridor of bankruptcy filing, information is provided about the specific processes you must follow for your specific kind of business. You will learn how to choose which Chapter to file under and what you must do to protect your personal assets during a business bankruptcy. Finally, a special section is included to guide you through the harrowing post-bankruptcy process, helping you to rebuild your credit after the process with a timeline of how long you can expect to wait before you start to regain the standing you originally had. You will be given details and tips on how to manage your finances in the future, and interviews taken from bankruptcy experts and individuals with personal experience will help you know exactly what you can expect before, during, and after your bankruptcy. For anyone at the point in their life where they are considering a bankruptcy to solve their financial problems, this guide is a must have tool, providing an easy to read, comprehensive overview of the entire process. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books.
