Bill Kelly : The Complete Guide To Credit Repair before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Guide To Credit Repair:

6 of 6 people found the following review helpful. pretty good - I rate it a solid 3.5By Wendell RobersonPros - easy to read and concise; good tips on how to establish and re-establish credit; good job explaining the credit reporting process and the importance of credit and the three types of lenders (prime, subprime, and secondary).Cons - does not include info about credit scoring; steps for fixing credit are too cumbersome for the average consumer to follow; tips for how to strengthen credit are ineffective, outdated, misleading - such as having account added to your credit record - the agencies don't do that anymore. incorrect data about the length of time chapter 13 bankruptcies stay on credit reports; sample letters are too vague.The book could have been more detailed to help readers fully grasp credit. It's a good

introduction to credit that will leave you seeking more information. recommendation - The Insider's Guide to credit Repair by K.E. Varner and Your Credit Score by Liz Weston. 2 of 2 people found the following review helpful. This book has given me financial freedom. By S. Ahmed I was in a big mess. Without going into details - I owed almost \$95,000, my yearly income is \$45,000 before tax, and I am supporting a family of 3. I live in New York. My apartment rent alone is \$1,100. Owed amount was getting bigger and bigger because of the interest. Obviously, I wasn't eligible any kind of loan. No money to hire an expert. I didn't have money to buy many different books. Luckily the one I picked was the right book. Now, I had the will and I had the right book. I owe only \$7,000 now. My total credit limit from different credit cards is now \$175,000. My bank is willing to give me loan. Didn't happen overnight or it didn't happen without any work on my part -- but it did work out with the help of this book. Thank you, Mr. Kelly. 6 of 10 people found the following review helpful. **FINALLY! A BOOK THAT DELIVERS** By ANTONIO FERRO "THIS EASY-TO-USE GUIDE CONTAINS ALL THE INFORMATION YOU'LL NEED TO REPAIR YOUR CREDIT"; THAT STATEMENT IS ON THE FRONT COVER OF THIS BOOK AND BELIEVE ME IT'S A TRUE STATEMENT. THIS BOOK GIVES YOU ALL THE ESSENTIAL INFORMATION NEEDED TO REPAIR YOUR CREDIT; THIS BOOK HITS AN INSTANT HOMERUN BEGINNING WITH CHAPTER 1, WHICH IS A WELCOME CHAPTER. THIS CHAPTER MAKES YOU AWARE OF WHAT'S TO COME IN THE CHAPTERS AHEAD AND WHAT YOUR GOALS SHOULD BE. THIS CHAPTER IS A DEFINITE ICE BREAKER. I'VE BEEN IN THE CREDIT REPAIR BUSINESS FOR A WHILE AND I FEEL ANYONE WHO READS THIS BOOK WILL BECOME HIGHLY EDUCATED WITH THE CREDIT REPAIR PROCESS AND WILL ACCOMPLISH THEIR GOALS. THIS BOOK IS SO EASY TO USE, IT MAKES YOU FEEL CONFIDENT ABOUT REPAIRING YOUR CREDIT. ANYONE USING THIS BOOK WILL FEEL LIKE AN EXPERT AT THE END! MY FINAL STATEMENT, "YOU CAN'T GO WRONG WITH THIS BOOK".

With more and more people declaring bankruptcy and total debt in this country rising, the time is perfect for a book like The Complete Guide to Credit Repair. Not only will this book show people how to repair bad credit to stay out of bankruptcy, it will show them how to avoid bad credit in the future and what they can do to strengthen their situation.
