**Melissa Nelson : The Complete Guide to Small Scale Farming: Everything You Need to Know About Raising Beef Cattle, Rabbits, Ducks, and Other Small Animals (Back to Basics Farming)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Guide to Small Scale Farming: Everything You Need to Know About Raising Beef Cattle, Rabbits, Ducks, and Other Small Animals (Back to Basics

Farming):

Starting a small scale farm is the dream of Americans young and old, from those who watched the majesty of the great western farm in films during their youth to those who spent their childhood actually working on a farm. However, for many of these individuals it is a matter of logistics and cost that keeps them from realizing their dreams. Raising beef cattle, ducks, rabbits, and any other small animals such as sheep, goats, or chickens takes not only a decent amount of money to get started, but know how that doesn't come in textbooks while in school. This book was written with the intent of providing anyone who has ever wanted to start their own small scale farm the necessary resources and information needed to start raising small animals and cattle. You will learn everything you need to know to raise a wide variety of small animals. You will learn how to care for chickens, from choosing the right breed to raising them for egg production. You will learn how to handle geese and ducks, choosing the correct breeds, feeding, housing, breeding, and selecting the right ones for egg production. You will also learn about egg incubation, maintaining poultry health, and how raise them for meat. Other animals you will learn how to care for include rabbits, goats, sheep, dairy cows, and beef cattle. Small farmers and animal experts have been interviewed in detail and their responses added to this book to provide additional insight into every aspect of raising farm animals. This includes details about how to purchase, house, feed, breed, record, and butcher animals of all types as well as how to gather milk, use goats and cows for maintaining your fields, and even keeping records of births and selling babies. Everything you might need to know about raising small animals for your farm is included in this guide to provide you the first steps to raising domesticated poultry and livestock. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate.
