Good overview of business law. I'm disappointed as I'm using it as a text in my class but it is difficult to find at a reasonable price. It should be more widely available.

Made my class easy to interpret
1 of 2 people found the following review helpful. Straightforward and clear
By Greg M
The text is straightforward and clear, easy to read and covers a broad range of topics in the subject matter.

The only guide of its kind! Undergraduate college students working toward business degrees, MBA graduate students, and first year law students have one thing in common: they need to take courses in business law. Unlike cumbersome and expensive textbooks, The Complete Idiot's Guide to Business Law is the first and only series guide that explains the major principles, phrases, and real life implications of business law for students and interested professionals. *Discusses only relevant case laws to the topics *Fully explains key words, phrases, and concepts *Contains clear and jargon-free explanations and definitions *Includes narrative examples to illustrate situations and

concepts
