The National Auctioneers Association : The Complete Idiot's Guide to Live Auctions before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Idiot's Guide to Live Auctions:

3 of 3 people found the following review helpful. Good comprehensive book on live auctionsBy 265XUEThere is a whole other world of auctions besides eBay, and those are live auctions. They are still there and people are making a killing. It's an open secret. This book has a lot of good information, maybe even too much, on the subject of auctions - live auctions - four stars.0 of 0 people found the following review helpful. The best book on the subjectBy DHNo questions asked, a must-have if you want to learn all that you can about auctions. Fun to read and excellent attention to details you wouldn't pick up from other books.1 of 1 people found the following review helpful. He's almost finished reading it!By Stephanie McGinnissGreat book! My husband talks about it a lot to other people. He said it talks a lot about Lancaster, which we live near

Do I hear \$16.95? A \$227.5 billion enterprise around the world, live auctions feature everything from cars to homes, fine art to coal. The only book of its kind, this guide will show how lucrative, fast-paced, and exciting this business is.

It covers rules, lingo, setting up an auction, hiring professional auctioneers, and how the most popular auctions work.-
Expert author team: a veteran business author and the National Association for Auctioneers-Detailed run-down of
every aspect of live auctions-Resource section with auction house listings>Show More>Show Less

About the AuthorThe National Association of Auctioneers (NAA), located in Overland, Kansas, is the premier group
for professional auctioneers both in America and around the world.
