It will not forever alter the way you think, however it does get you thinking about the importance of process and what it takes to be excellent.0 of 0 people found the following review helpful. The E-MythBy Rouge GirlI chose this

book b/c I started my online store and have many ideas and want some insight on business. It really has some great pointers. Really don't care for all the little short stories but overall it's a great book0 of 0 people found the following review helpful. Outside the CircleBy JamesI think this may be the most sound advice for a successful business, for a whole person, for an awake society.
