Anupam Chander : The Electronic Silk Road before purchasing it in order to gage whether or not it would be worth my time, and all praised The Electronic Silk Road:

On the ancient Silk Road, treasure-laden caravans made their arduous way through deserts and mountain passes, establishing trade between Asia and the civilizations of Europe and the Mediterranean. Today's electronic Silk Roads ferry information across continents, enabling individuals and corporations anywhere to provide or receive

services without obtaining a visa. But the legal infrastructure for such trade is yet rudimentary and uncertain. If an event in cyberspace occurs at once everywhere and nowhere, what law applies? How can consumers be protected when engaging with companies across the world?
