Scott Wisor : The Ethics of Global Poverty: An introduction (The Ethics of ...) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ethics of Global Poverty: An introduction (The Ethics of ...):

The Ethics of Global Poverty offers a thorough introduction to the ethical issues surrounding global poverty. It addresses important questions such as: What is poverty and how is it measured? What are the causes of poverty? Do wealthy individuals have a moral duty to reduce global poverty? Should aid go to those who are most in need, or to

those who are easiest to help? Is it morally wrong to buy from sweatshops? Is it morally good to provide micro-finance? Featuring case studies throughout, this textbook is essential reading for students studying global ethics or global poverty who want an understanding of the moral issues that arise from vast inequalities of wealth and power in a highly interconnected world.

About the Author Scott Wisor is Assistant Professor of Arts and Humanities at the Minerva Schools at KGI, USA.
