Chris Dalton : The Every Day MBA: How to turn world-class business thinking into everyday business brilliance before purchasing it in order to gage whether or not it would be worth my time, and all praised The Every Day MBA: How to turn world-class business thinking into everyday business brilliance:

0 of 0 people found the following review helpful. This is my everyday bibleBy gakakaI have read and reread this book

and each time I read it again I learn something new. It's my everyday teacher. 10 of 10 people found the following review helpful. Excellently written - with MBA students very much in mind ...By Francis
Excellently written - with MBA students very much in mind, the book covers in clear language all the main components of an MBA programme
10 of 10 people found the following review helpful. Interesting, informative and so, so useful!
By Richard Skinner
A very well-written guide that presents the reader with a unique opportunity to enhance their business skills premised on self-development and reflection. This book should be read by all (wannabe) leaders because they WILL learn something new and informative that will be relevant to their managerial aspirations in their own unique organisational settings. Because the book's structure is clear and its advice relevant, I shall keep it to hand going forward. I wholeheartedly recommend it.

Transform your career and revolutionise how you work with the very best learning from the world's leading business schools.
Delivering many of the key benefits of a top-notch business education, without the hefty price tag and big time investment, The Every Day MBA will guide, challenge and inspire you to better results, wherever you are in your career.
Use the powerful combination of the best business models with your own experience and awareness to quickly develop the same game-changing thinking, tactical behaviours and dynamic strategies that MBA graduates know really work.
Find out what it really takes to be a leader in business and use MBA thinking to take your business knowledge and practice to a brilliant new level - today, tomorrow and every day.
